AMENDMENTS TO THE SPECIFICATION

Please replace the paragraph beginning at page 13, line 23, with the following rewritten paragraph:

-- In FIG. 6 the hearing aid/spectacles combination is shown as an example of an implementation. The hearing aid ~~spectacles~~ spectacles 1 consist of a normal frame, a microphone array 2; 3 (not visible) being incorporated in each of the spectacle arms 2', 3'. The processing unit 4 is also indicated, which is easy for the user of the hearing aid spectacles to take with him or her. Finally, the two reproduction units 5, 6, which preferably consist of reproduction units that can be fitted completely within the auditory canal, are also shown. --
